Re Recommendation

Sabine van de Loo of A&O Personeelsdiensten BV has worked in the past 12 months as a Project manager HR and payroll Asia Pacific region. I have been consistently impressed by both Sabine's attitude towards her work and her performance on the job.

Sabine's expertise and communication skills have allowed her to develop productive working relationships with our staff in the office, in the region and with the new payroll provider. She has the analytical skills to diagnose problems and devise viable solutions.

Sabine has the listening and interviewing skills necessary to extract information from our missions while performing HR assessments. Sabine is also able to work effectively with other co-workers and is able to make the deadlines that we set for the job.

I recommend her expertise without reservation. If you have any questions I can answer about Sabine's record with our office, please do not hesitate to contact me.

Yours Sincerely,

J.J.M. van Rijckevorsel
Head of Regional Support Office Asia
